Kickstarter : Funded at 1616%!

Game Box Illustrator : Rocinante Urabe

Turn off the lights, and let the starry sky ignite.

The light we share will make our memories shine.

★ Connect

Take turns placing tiles and connecting the lines between the stars.

★ Enclose

Enclosed shapes transform into Constellations owned by the player who completes them.

★ Score

Name your constellation, and place a nebula in it. Score the stars inside your Constellation.

Glow in the Dark

Components | Glow-in-the-Dark Tiles x 60, Nebula Tokens x 32

Coming soon on Kickstarter!

Monster Decay

Surround the Monster with Opposite Color

Defend and Attack with just 1 tile!

★ Place

Decide the player's color. Take turns placing tiles adjacent to the tiles on the table.

★ Surround

Surround the monsters in opposite color and claim it.

★ Score

Place a token on the monster to capture it. The Monster Score x area of tiles become your victory points.
